To my Friends and Customers in North Carolina. AVING made arrangements to leave the State, at furthest by the first of December, and having disposed of my interest to Isaac Procter, (my partner for the last eight years,) I take pleasure in recommending him to those who have stood by me so long, as a gentlemen

He will be assisted by Geo. L. Gould, a pupil of mine, who has been cutting all the Coats made up for our customers for the last fourteen months, and has no superior in that department. I have left in the concern all the patterns I have of my customers scattered all over the State, and they may rely upon being as faithfully served, having their cloths, as well cut and made, and the quality of the materials just such as would be furnished, were 'The BUG,' present in "propria persona." I have laboured hard to build up a business in North Carolina, and desire that those who have patronised me should continue to uphold my late partner, particularly when assured by me, that they will be as well served as they were under the administration of OLIVER & PROCTER.
